# The Overview

Hurstville offers the quintessential Sydney lifestyle in a single suburb.

Discover its unique character and culture, epitomised by the mid-century shopfronts of Forest Road fitted with independent and family-owned businesses offering flavours and traditions from around the globe.

Hurstville is a southern suburb of Sydney, situated 16 km to the south of the Sydney Central Business District (CBD). Hurstville is the retail, commercial and administrative hub of the Georges River Council.

Hurstville Station is situated along the T4 Eastern Suburbs and Illawarra Line with a major bus interchange along Ormonde Parade and Forest Road.

This cosmopolitan hub is surrounded by the serene and natural beauty of abundant parklands, world-class beaches and the Georges River National Park.

In recent years population growth in Hurstville has out-performed Metropolitan Sydney, with forecasts predicting consistent year-on-year growth well into the future.

Over the next 5 years, demand will exceed supply, with Beyond delivering more than 50% of new homes required to meet the needs of the community.

The Beyond, Hurstville mixed-use development is situated on the southern side of Durham Street, to the west of Kempt Field. This mixed-use development will provide a residential tower around a central plaza with a provision of retail floorspace on the Ground Level.

In total, the project will include some 556 residential units. The site is positioned between the Allawah and Hurstville train stations and is adjoined to the west by Hurstville East Quarter, which is a mixed-use development across three buildings, comprising a further 292 residential units.
