

FIRST FLOOR PLAN

FIRE EXTINGUISHERS \diamond "big" table fire extinguisher

check all dimensions on the job

This building shall be constructed in accordance with the BCA, all relevant and relevant Australian Standards and manufacturer's specifications and instructions for relevant elements. Any modification of any structural members or conditions of any part of the design will be the responsibility of the architect for the structural integrity and performance of the building structure. All plans are copyright and may not be reproduced in whole or in part without the written permission from Bristow Architects Pty Ltd. Do not scale. Coordinate all dimensions and provide connecting conditions. Any discrepancies to be reported to the architect for clarification or advice prior to commencing with the work. Items on individual drawings to be used in conjunction with General Notes sheet.
