GREATER SPRINGFIELD MEDICAL & OFFICE SUITES

Be part of Australia's largest integrated health and wellness precinct. Lease, purchase or invest in your own medical or commercial suite in the heart of Health City.

Located within Health City Springfield Central, this facility is directly adjacent to the Mater Private Hospital Springfield as well as AVEO Springfield, Quest Apartment Hotel and childcare.

Greater Springfield Medical & Office Suites is suitable for health professionals, specialists, commercial office users and ground floor retail.

HEALTH CITY SPRINGFIELD CENTRAL

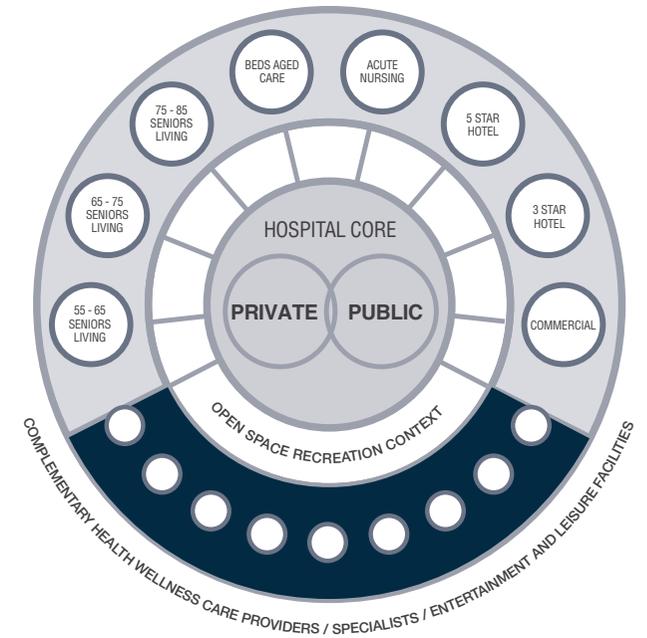

Health City in Springfield Central is totally dedicated to all forms of human health in one spot. It is unique to Australia and set to become a world renowned integrated health precinct underpinned by health promotion and wellness, whilst serving as a major global medical, research and innovation hub.

This unique health precinct is designed to ultimately provide a comprehensive line-up of medical and allied health services along with wellness facilities, in a fully integrated e-medical and population health model that will grow exponentially to meet the projected needs of the region's community.

Health City will be a vibrant, lively precinct, well designed for integrated and multi-generational living never seen before, providing a rich environment for collaboration. It will be a place where residents can truly live, learn, work, play, share and thrive.

The founding partners of Health City Springfield Central include Mater Health Services, Aveo and Springfield City Group. New partnerships will continue to be developed to progress this one-of-a-kind, world class health precinct, especially in the area of primary and community health, education, research, technology and digital innovation as these aspects will play a vital role in the development of wellness outside the hospital, the development of a healthy, vibrant community.

Health City is the central core of the health and wellness offering in Greater Springfield.

MATER PRIVATE HOSPITAL SPRINGFIELD

Mater Private Hospital Springfield is a truly innovative, unique and contemporary hospital providing holistic healthcare to the Greater Springfield community.

Located in Health City, in Springfield Central the stage one development offers an 80 bed, \$85 million hospital with medical and surgical services for overnight and day patients, including a dedicated day oncology service.

Mater has a master plan for the hospital precinct within Health City Springfield Central, which incorporates a number of expansion stages which will be rolled out to meet the demands of the region. Mater Private Hospital Springfield offers an innovative, unique and contemporary model of holistic care and provides patients exceptional acute and sub-acute treatment and care, while also promoting wellness and illness prevention.

Mater applauds Springfield City Group for the establishment of the medical suites adjacent to Mater Private Hospital Springfield. The hospital is looking forward to productive conversation and partnerships with doctors who move into this facility.

Director, Mater Private Hospital Springfield

EVOLUTION IN RETIREMENT AND SENIORS LIVING

In May 2015, AVEO Group Ltd (formerly FKP Property Group) entered into an agreement with Springfield City Group to develop 2500 new seniors housing units within Health City.

The development agreement for a 15 year period will see Aveo develop a fully Integrated seniors living community, known as AVEO Springfield, adjoining the Mater Private Hospital Springfield.

Stage one includes 66 independent living units, now open and selling while construction on stage two is now advancing. Aveo Springfield is setting a new standard in retirement living. It will be an intergeneration precinct featuring a vast array of living options and services in the heart of Greater Springfield.

Health City Springfield Central sets the benchmark in health and integrated facilities providing Aveo with a platform to develop Australia's first integrated seniors living community which will redefine care in retirement in this world class development.
