The BTP Hub is in the heart of the new business and technology precinct at Northshore Hamilton. BTP Northshore Hamilton is conveniently located at the intersection of the Gateway Motorway and Kingsford Smith Drive, giving immediate access to the CBD, Sunshine Coast and the International and Domestic Airports.

BTP Services operates small business hubs within three business and technology precincts across Brisbane. These precincts offer affordable and professional office space to organisations of all sizes, located within close proximity to major road networks, retail and business amenity.
