— BRISBANE'S GEM —

A nighttime photograph of the 201 Charlotte office tower in Brisbane. The building is a modern skyscraper with a glass facade, reflecting the city lights. It features a distinctive stepped design with multiple setbacks. The building is surrounded by other urban structures, including a lower building with a 'FINDEX' sign and a 'Holt' store. The foreground shows a street with cars and trees, creating a sense of an active urban environment.

Discover 201 Charlotte, a re-envisioned A-Grade office tower in the heart of Brisbane's financial district. This landmark building has been transformed by Cameron & Co Architecture into a collection of elegant and versatile work environments.

Premium Arrival

Step inside 201 Charlotte and discover a premium arrival experience.

The entrance is characterised by a collection of intimate spaces for impromptu meetings and exquisite furniture pieces that immediately heighten the sense of luxury.

Only a handful of Brisbane’s commercial towers provide the personalised service of a concierge. Our friendly attendant will be on hand to greet employees and clients, organise bookings and help keep your workday running smoothly.

A Beautiful Transformation

Cameron & Co
Architecture

Cameron & Co has created a series of luxurious experiences, from the minute you enter the building to the moment you step into a light-filled office space.

Modulated ceiling heights in the lobby delineate the concierge area from the more intimate alcoves, and beautiful, highly tactile materials create a sense of authenticity. Tanned leather furniture pieces and stone plinths complement the light ceramic tile and contemporary lighting design.

The natural material palette continues throughout the office spaces, where Herringbone carpets extend to expansive walls of glass.

“There is already a sense of generosity and quality to the space, so we have focused on expressing the essence of the building through luxurious detailing: the things you see and touch every day.”
