is a one-of-a-kind opportunity.
It is the right idea, in the right
place, at the right point in time
for Melbourne’s South East
growth corridor’***

***‘A dedicated health & wellbeing precinct
with a state-of-the-art Medical Centre’***

We were drawn to Clyde North and its incredibly exciting future. We saw an opportunity to create something unique, with immediate and enduring appeal.

Thoughtfully designed, with architectural detail and landscaping of the highest quality, its intimate scale, ease of accessibility and mix of practitioners, service providers, retailers and hospitality offerings will attract people from all walks of life, all throughout the day-some for a short visit; others to linger and relax.

With great pride, H.CO is bringing this vision to life.

Destined to be the heartbeat of Clyde North, ClydeStone Square will reward tenancies with front row access to the vast population and retail spending potential of the fastest growing residential corridor in the country. It is a success story in the making.

This is your opportunity to be part of it.
